Volunteering opportunities in our community

The **Winter Shelter** is now open for the 2019-2020 season through March 2020. Shelter will be at FGUCC on Mondays and Tuesdays and at Emanuel Lutheran Church in Cornelius on Wednesdays and Thursdays. Shelter hours are 5:30PM to 6:30AM.

Volunteers Needed! We are in need of volunteers to help with cooking, support mornings and evenings, and loads of other services during shelter season. Here's the link for volunteer sign up: <https://signup.com/go/QYnyjhn>. For more information or to volunteer please contact Miranda Sommer, 503-329-7019, mdsommer94@yahoo.com.

Are you able to provide housing for a high school student experiencing housing instability?

Ask how you can become a host home provider. Contact Second Home at: abrownell@emoregon.org.

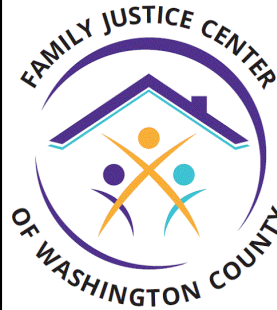

What if...you brought your world to theirs?

Be a Junior Achievement Classroom Volunteer at Forest Grove High School!

For 100 years, Junior Achievement (JA) has been partnering with business and community volunteers to teach kids how business works. Thanks to thousands of volunteers in Oregon and SW Washington, more than 44,000 students will benefit from JA programs this school year. This includes every senior at Forest Grove High School. They will receive the JA Personal Finance program this school year and we are looking for volunteers to help deliver those programs. JA brings students practical information and engaging activities to help clarify their understanding of business and develop skill sets that add value to career choices. Getting involved in JA is easy, fun and it's a great way to give back to your community.

Interested? Contact the Forest Grove/Cornelius Chamber of Commerce at 503-357-3006.

Volunteer Opportunity:

Beginning the first of the year the Family Justice Center will be recruiting for Volunteers Navigators - they will welcome clients, help them navigate through our service options while onsite at the center. They also help us reach out to the community and educate the public about the services we provide at special events, fundraising, and various tabling opportunities.

Another option is providing products such as toiletry items (travel and standard size), coloring books, juice boxes, Lysol spray or wipes, etc. The average visit to the Center is \$100.

If you have any interest in being a volunteer please call **503-430-8300** or visit www.fjwcw.org.

Volunteer Advocate for Adults Living in Long Term Care

Long Term Care Ombudsmen are free, confidential advocates to help with any large or small problem bothering someone living in a nursing home, assisted living, residential care or adult foster home (for example, poor care, disrespectful treatment, cold coffee, medication errors, threatened eviction, financial exploitation). Screened, trained, and backed by state staff, the volunteers visit licensed homes and/or respond to calls from anyone concerned and, with the resident's OK, go to work to solve the problem. The need is especially great in the Forest Grove area, it is important and rewarding work with flexible hours, but the program needs far more volunteers. To report a concern or learn more about volunteering call 800-522-2602 or visit www.oregon.gov/lto.
